

PU SPILL BARRIER C/W HOLDALL

PRODUCT

Our PU drain cover is made of Polyurethane which is resistant to most chemicals as well as fuels, solvents and oils. Suitable for temperatures between -40°C to 150°C.

Our PU drain covers can be reused if cleaned and stored in a dry cool place. Our PU drain cover prevents incidental spills entering drains and provide a fast solution to responding to a spill.

Also available individually, product code D4209191
