## **PRODUCT**

Our Spill Aid absorbent is a fast-acting absorbent for all spills from chemical to oil. It leaves surfaces dry and safe to walk or work on in seconds. Just pout Spill Aid onto the spill and brush in. It is then brushed up leaving the surface perfectly dry with no residue.

This granule is very effective on body fluids.

## **ADDITIONAL INFORMATION**

Transport: No specific regulation, inert properties.

Security: No specific risk. For further information please refer to the Material Safety

Storage: Store in a dry place.

Disposal: Granules must be disposed of in compliance with the absorbed liquid

destruction Regulation.

## Be spill prepared not ill prepared
