

# OIL ONLY SOCK 7.5CM X 1.2M

### PRODUCT

Our Oil Only socks have a white spunbond outer skin with a recycled hydrophobic absorbent filling. These offer fast absorption of Oil Only liquids and act as a containment barrier for any incidental spills.

The hydrophobic properties within our Oil Only socks allow the sock to float on water and collect/absorb oil-based liquids from the surface without absorbing any water. These are ideal for use outside where standing water may be present
